Deputy Director's Staff Meeting

Thursday, 25 January 1951

25X1 Mr. Reber asked if the preparation of charts for the National Security Council could be postponed from February 10 to February 19 because Mr. [redacted] who prepared these, had transferred from O/RR to his staff. Mr. Jackson concurred.

Mr. McConnell reported that the Deputy Director had agreed to have Mr. Baird explain the training program at the meeting of the Assistant Directors next Monday.

Mr. McConnell said that agreement had been reached on dispersal. State was to go to the Southwest; Defense to the West; and CIA to the Northwest, not less than 20 miles from Washington. Mr. McConnell stated further, however, that he believed from the way the program was going that it would completely blow up shortly.

25X1 Mr. [redacted] reported that a request had been received from the Bureau of the Budget to prepare a study on economic warfare. He said he would acknowledge the request and send it to Mr. Reber for coordination.

Mr. Jackson asked Mr. McConnell to state on vouchers "approved by Murray McConnell" and send them through to the Director for signature.

25X1 Mr. McConnell said that he had been talking to several people about [redacted], who had been highly recommended to him as a personnel man. He asked Mr. Jackson if he would talk to

25X1 [redacted]
